about the book throughout jaycee s memoir she shares journal entries and photographs the last chapters of the book reveals how difficult it is for her and her daughters to transition from being captives to having freedom she spends a lot of time second guessing her trips out in public and guards their privacy closely jaycee writes about how she and her daughters are going through a recovery period as well as therapy involving horses she concludes the book by writing about her new foundation as well as publicly thanking those around her for helping her and her daughters through their recovery meet the author best selling author jennifer greenleaf 1975 present was born in leominster massachusetts to parents who are talented by their own rights her mother is a crafter as well as a self made business woman and her father is a computer scientist her family moved to maine in 1978 and despite trekking across the country from 1994 2000 she made her way back to maine since 1999 she s written 1 000 s of articles for the web as well as many in print she has also been a commissioned mixed media artist since 1993 she and her husband chris are raising three wonderful children ages 10 11 and 12 as of this writing as well as four kitties as you can see from jennifer s list of books in this profile she loves writing about whatever interests her as of 2011 she began writing fiction which will be revealed in 2012 excerpt from the book jaycee dugard opens her memoir by providing an author s note explaining how her book may be confusing to her readers she describes how her mind jumps from one memory to the next and in order to keep her voice that s how she wants to write her story even after i was freed moments are fragmented and jumbled with some help i have come to realize that my perspective is unique to abduction her note is followed by her most recent school portrait taken when she was eleven years old jaycee begins her story in the introduction by explaining she was held captive for eighteen years and during that entire time she wasn t allowed to say her name she wants this memoir to help others who might have gone through a similar situation with my writings i hope to convey that you can endure tough situations and survive not just survive but be okay even on the inside too buy a copy to keep reading

as zelma was lying in her bed about three oclock in the morning meditating on the lord and on her ministry the anointing of the holy spirit came over her and took control of her mouth as she cried out to god the words she said were so unusual and the answer that she got from god was totally out of the ordinary she said in a loud voice god what is my calling and show me how to use it the answer that she got was unacceptable and she could not believe it because that was not what she

had been taught in the church therefore zelma rebuked it in the name of jesus and she said if thats the way hes going to talk im not going to ask him nothing else god told her what her calling was however he didnt tell her how to use it and she wasnt about to ask him how to use it she was offended at his answer but five years later god showed her how to use her calling and it was awesome it was revelation knowledge that only god would know how to tell you

victimology explores all crimes impacting victims including child maltreatment intimate partner violence elder abuse cybercrime and hate crimes the history and theories of victimology are explored as well as definitive laws and policies strategies for intervention and future research areas

all over the world educational institutions confronted emergency policy changes caused by the covid 19 pandemic due to this academic activities were provided mostly by remote teaching and learning solutions the transition to emergency remote teaching and learning raised some challenges regarding technical pedagogical and organizational issues it is important for higher education institutions to prepare themselves to deal with future emergency scenarios promoting an in depth reflection about the future challenges in the post pandemic era developing curriculum for emergency remote learning environments supports creating and promoting an education as a business strategy for higher education institutions by sharing possible business models it provides a collection of different approaches to online education in the perspective of the future of education environments covering topics such as distance learning experiences online practice improvement and remote testing this premier reference source is an excellent resource for educators and administrators of higher education pre service educators it professionals librarians researchers and academicians
