called the happy family the cage was always surrounded by a crowd of people curious to see such natural enemies so happy together nothing but the law of kindness could make all those creatures so civil and well behaved to each other but i must not forget my anecdotes of that respectable animal the cat you need not smile i mean to make you respect as well as love cats there are some men and many boys who say they are domestic tigers that they are sly that they steal that you cannot trust them that the cat heart is bad and that there is no harm in boys teasing them since it is no more than cats deserve that they were made for us to plague and that the only good thing they do is to catch rats and mice now if this were true and they were really ever so bad they ought never to be treated cruelly never teased and tormented none but the meanest boy will ever torment any animal he who created us created also the little fly that crawls upon the window pane i am not now thinking of those boys who do not remember or have never learned this truth but of those who have a cruel prejudice against cats of those who are kind to dogs and horses

is there an animal doctor in the house most likely the answer is no and when an

accident or other emergency threatens your pet every minute counts don't be unprepared open the first aid companion for dogs and cats by amy d shojai and learn basic first aid techniques such as cleaning a wound making a splint and performing cpr step by step which over the counter human medications can help or harm your dog or cat what to keep in your pet's medicine chest many essential items are probably in your house already how to quickly pinpoint what's wrong with your pet using the first aid symptom finder plus you'll discover a comprehensive a to z guide to more than 150 common and not so common injuries and conditions including abscesses bites from animals car accidents choking gunshot wounds heatstroke hot spots jellyfish stings poisoning snakebites each at a glance entry tells you when to call the vet which supplies or medications you'll need what immediate action you should take and what you should do as follow up care by knowing what to do in an emergency and then acting quickly and confidently to take the proper steps you could save your pet's life the next time medical help is not quickly available reach for the first aid companion for dogs and cats it's a pet owner's second best friend

if you've ever wondered what your animal was trying to tell you with a bark meow or tweet this is the book for you animal communicator tim link's approach respects the personality and feelings of animals and his simple accessible methods can facilitate the understanding and communication that all animal lovers crave packed full of great practical information on how to deal with everyday behavioral issues along with something less tangible that could take the relationship you have with your cat or dog to a whole new level from the foreword by victoria stilwell dog behavior expert and star of it's me or the dog i highly recommend this book it will make living with you so much easier sneaky pie the cat as told to rita mae brown new york times bestselling author of the mrs murphy mystery series

one day a man came and complained that the dog killed his sheep the owner said he was sure that it was impossible hero was so well trained he was always in his kennel at the right hour and he knew that he must not kill sheep after a while the neighbor came again with the accusation the dog was then tied in the barn the man came again with the same charge against the dog

why do cats cry to come in and then cry to go out again why do they chatter silently at the window why can't they be trained to fetch your slippers where are the most unusual places they've been employed as mousers why are there so many cat superstitions this cat compendium educates and entertains with facts about everything from wild cat

ancestry and cat physiology to cat worship and cat movie stars we ll investigate how cats experience the world and what they think of their human companions and explore why cats have inspired both reverence and fear throughout history drawing on the vast body of knowledge belonging to the world s most famous dogs and cats home the book contains numerous snippets that readers can dip into as well as longer essays and stories that can be enjoyed at leisure attractively designed with charming photographs and beautifully packaged as a hardback gift book this is the ideal present for every cat lover

this book has been considered by academicians and scholars of great significance and value to literature this forms a part of the knowledge base for future generations so that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published hence any marks or annotations seen are left intentionally to preserve its true nature

this is the original explanation why i had written up in my mother s book and that was in book form she is the only one that has the original book form of the stories that have been written in each chapter there are different stories of different animals with different characters one is an adventurous type of cat another is a dog with dreams and another is a horse with some ideas of how she wanted life to be the cats an interview between two cats one of them is well travelled and very intelligent the dogs a story of a dog named cora and her family and how she tells about her family and the way of life on a farm the horses a story of a horse named asta and how she was horsenapped
